

MAKE SURREY HOSPITALS FOUNDATION THE BENEFICIARY OF YOUR LIFE INSURANCE CONTRACTS

If you want to do more to make a difference, giving a gift of a life insurance contract may be the most effective and convenient way. **It's easy to do** and can provide huge tax credits.

There are several ways to donate life insurance products:

- **Instead of cancelling an “old” policy you don’t need anymore, don’t cancel it... donate it instead.**
- **Make Surrey Hospitals Foundation the beneficiary of your:**
 - Life insurance policy
 - Your annuity policy
 - Your segregated funds portfolio
- **Set up a new policy, donate it to Surrey Hospitals Foundation, and receive a charitable tax receipt for all future premium payments.**
