2026 Celebration of Care Gala

Supporting Women, Children & Youth Pillar of Care

Presenting Sponsors:

About the Gala

Surrey Hospitals Foundation's 9th annual Celebration of Care Gala returns on February 28, 2026. As the largest fundraising gala in Surrey, this event attracts a guest list of hundreds of business, community, and medical luminaries. It has been recognized with multiple accolades, including the Best Fundraising Event at the 9th Annual ILEA Vancouver Awards.

Funds raised support life-changing health care for Surrey residents and surrounding communities. Surrey Memorial Hospital is the regional hub of health care for families south of the Fraser River and is dedicated to serving the 1.9 million residents who live in the Fraser Health region.

2026 Fundraising Priority

Fundraising Goal: \$1.4M

Together, We Nurture the Beginning of Every Life, and Every Family's Journey

This year's Celebration of Care Gala is more than an event—it's a movement to uplift every family's beginning. With your support, we're transforming care for mothers, fathers, and newborns at Surrey Memorial Hospital and the Jim Pattison Outpatient Care and Surgery Centre.

From high-risk pregnancies to fragile neonatal journeys, your generosity ensures families receive world-class, compassionate care—close to home.

Together, we're building a future where every baby has the best possible start, and every parent feels safe, supported, and seen.
