EVERY MOMENT MATTERS

Some moments stay with us. Others inspire what comes next.
For ten years, the Celebration of Care Gala has brought our community together in support of stronger health care, creating meaningful connections and lasting impact.

As we celebrate this milestone, we reflect on how far we've come, recognize the extraordinary care being delivered today and look ahead with excitement to the possibilities still to come.

Together, we have so much more to make possible.

The 10th Anniversary Gala

This year marks the **10th anniversary** of our signature **Celebration of Care Gala, *presented by Berezan and EllisDon*,** an opportunity to celebrate a decade of bringing together a community united by a shared commitment to advancing health care.

We're inviting you to join us on **Saturday, February 27, 2027,** as we mark this milestone and strengthen the future of health care in our region.

Over the past ten years, the Gala has grown alongside the region it serves, reflecting the **generosity, leadership, and vision** of business leaders, philanthropists, health care professionals, and civic partners dedicated to elevating care across the South Fraser region. As we look ahead, this milestone offers a moment to recognize that progress while continuing to **build what's possible for patients and families today, and for generations to come.**

We invite organizations to **partner with us** in delivering an unforgettable evening while demonstrating leadership and commitment to community health.

Sponsorship provides a unique opportunity to **align your brand** with one of the region's most impactful charitable events, while gaining **meaningful visibility among influential audiences.**
